“ Ray and Aurora were our neighbors, and close friends to my parents, when I was a little girl. I remember my mom and Aurora having coffee many mornings while my sisters and I played with Mark and Cindy. We sometimes went swimming and picnicking at Turtle Lake together. I recall, with great fondness, Aurora’s beautiful smile and infectious laugh. I can still hear it. My heart hurts for her family. She was a special lady who will surely be missed.

“ I will always remember Aurora with a smile. Loving, kind, quick witted and always willing to share some sarcasm followed by a jolly laugh at her own joke. Her voice small yet hardy to match her stature. I loved that she'd given me a nick name with a matching doll that Ray had won in a crane game...Betty Boop, she referred to me always with a laugh and a smile.  
She'd always end a night with a hug and good wishes for the ride home. I will never forget her sincerity or the family she gave me to share with my own. I love them all and hope their loss can somehow be subsided by the beautiful memories we all hold in our hearts. Aurora you will be greatly missed.
