“ I am so very sorry to hear this.  
I adored your mom.  
Mary and I were nurses together in the operating room at United for many years.  
She would come to my church festival every year to get her fresh Syrian bread. My heart hurts for this huge loss.  
She was an angel on earth. You are in our thoughts and prayers.  
May God be with all of you and her with him.  
Love Vicky Michaels

“ My prayers and thoughts are with your family. I was a care provider for Sam and remained friends with Mary. God sends special people into ours life's. I was certainly blessed to part of their life's and the family. Very special people

“ Your mother and I have been friends since we built the house in 1972, behind you on the Ohio/Galvin horseshoe in WSP. Mary thought I should start Tiny Tots & Little Tykes Pre-School and Child Care Center in my home, instead of dragging all you kids and all my stuff down to the YMCA downtown. Now, 47 years later, the program is flourishing in our own building, across from Lowe's on Robert and Marie. Thank you, Mary, for always believing in me, as well as others whose lives you touched. I know you loved your nursing job at United Hospital and you've always made such a difference in people's lives. But your love for Sam and your children was the most amazing gift you could ever have given. You are "Mother of the Century". What a legacy you have left. My heart is aching that you were taken from us, too soon. My only solace is you are with Sam in Heaven and that I will see you, once again, in Heaven. I am in deep grieving, my dear friend.
