“ Milt was a special guy! He was always so willing to help out at church in anyway he could. A great example of a genuinely good man and faithful steward!! I enjoyed talking with him about so many things, driving him to church, having him join us for breakfasts, bringing him some dinners, etc.. I felt like he was kind of a father figure after losing my Dad. He loved those Twins and Vikings games. It was so hard for him with Bernice needing to go to a care center, losing her and then not being able to continue to drive. He enjoyed and valued his independence and was so appreciative of his dear sister in law, Carol, who did so much for him...for a good long time. I thank him for his friendship, advice and always asking about my husband, Mark. My thoughts and prayers go out to his family and am happy he is now with Bernice alongside our dear lord. Say hello to my dad Milt, who enjoyed those spring chicken events with you!! All my love, Becki Hamilton

“ My deepest sympathy to all of Milton's family. I knew Milt thru St Peter's church. I got to know him over the years as a kind, caring and giving person.

Whenever he was needed to help out at the church he never balked or said no.. When he became laid up at home I made it my mission to visit, bring meals now and then and give him communion. I will truly miss Milt and trust he is with his beloved Bernice in the company of the Lord.
